PLIEGO REGULADOR DE LA CONTRATACIÓN PARA LA RENOVACIÓN DE LA SUSCRIPCIÓN A LAS REVISTAS DE LA PLATAFORMA SCIENCE DIRECT EN TODAS LA ÁREAS DE CONOCIMIENTO DE LA UNIVERSIDAD PÚBLICA DE NAVARRA.

I. CONDICIONES PARTICULARES

1. NATURALEZA Y OBJETO DEL CONTRATO

Naturaleza y forma de contratación

El presente contrato tiene naturaleza administrativa y se regirá por las presentes condiciones particulares y prescripciones técnicas y por la Ley Foral 2/2018, de 13 de abril, de Contratos Públicos.

Se tramitará mediante expediente de tramitación ordinaria, procedimiento negociado sin convocatoria de licitación, regulado en el artículo 75 y 138 de la Ley Foral 2/2018, de 13 de abril, de Contratos Públicos.

Objeto

El objeto de este contrato es la renovación de la suscripción de revistas electrónicas en la plataforma de contenidos de revistas y libros Science Direct, de la empresa Elsevier B.V. con destino a la Biblioteca de la Universidad Pública de Navarra.

Nº de Expediente: NGS0003/2021

2. ORGANO DE CONTRATACIÓN Y UNIDAD GESTORA

El órgano de contratación de este expediente es el Rector según lo establecido en las Bases de Ejecución del Presupuesto de la Universidad Pública de Navarra.

La Unidad Gestora del contrato será la Biblioteca de la Universidad Pública de Navarra.

3. IMPORTE DEL CONTRATO

3.1.- El valor estimado del contrato es de 1.357.506,53 euros, IVA excluido, para un período de cuatro años (anualidades 2021-2024) con el siguiente desglose:

- Lectura de las publicaciones de la plataforma Science Direct: 611.296,37 euros.

- Publicación 276 artículos en Open Access en pago de APC (article processing charges): 746.210,16 euros.

3.2.- El presupuesto anual se ejecutará con cargo a la partida 230/303001/628.01 *"Revistas y bases de datos bibliográficas"*, del presupuesto de gastos de 2021, o equivalente que a tal fin se habilite en los presupuestos de gasto de los años 2022, 2023 y 2024. La distribución de pagos anuales será:

- Año 2021: 421.519,31 € (IVA excluido) y que se corresponden:

- Por lectura de las revistas de Science Direct: 184.736,15 euros

- Por publicar 69 artículos en Open Access en pago de APC (article processing charges): 236.783,16 euros

- Año 2022: 336.296,35 € (IVA excluido) y que se corresponden:

- Por lectura de las revistas de Science Direct: 166.487,35 euros
- Por publicar 69 artículos en Open Access en pago de APC (article processing charges): 169.809,00 euros

- Año 2023: 314.179,86 € (IVA excluido) y que se corresponden**:**

- Por lectura de las revistas de Science Direct: 144.370,86 euros
- Por publicar 69 artículos en Open Access en pago de APC (article processing charges): 169.809,00 euros

- Año 2024: 285.511,01 € (IVA excluido) y que se corresponden:

- Por lectura de las revistas de Science Direct: 115.702,01 euros
- Por publicar 69 artículos en Open Access en pago de APC (article processing charges): 169.809,00 euros

3.3.- El contrato se formalizará hasta el 31 de diciembre de 2024, y se podrá prorrogar con una duración máxima de cinco años, mediante el mecanismo establecido en este pliego.

3.4.- El contrato se entenderá a riesgo y ventura del adjudicatario.

4. CAPACIDAD PARA CONTRATAR Y REQUISITOS MÍNIMOS DE SOLVENCIA

Podrán celebrar contratos públicos las personas naturales o jurídicas, de naturaleza pública o privada y españolas o extranjeras, que tengan plena capacidad de obrar y acrediten su solvencia económica y financiera y técnica o profesional y no se encuentren incursos en causa de prohibición de contratar, según lo establecido en el artículo 12 y siguientes de la Ley Foral 2/2018, de 13 de abril, de Contratos Públicos, requisitos que deberán concurrir en el momento de finalización del plazo de presentación de ofertas.

5. ADJUDICACIÓN DEL CONTRATO

Este contrato se adjudica en virtud de lo establecido en el artículo 75.1.c) de la Ley Foral 2/2018, de 13 de abril, de Contratos Públicos, que establece que se podrá recurrir al procedimiento negociado sin convocatoria de licitación cuando por razones técnicas o artísticas, o por motivos relacionados con la protección de derechos exclusivos, el contrato sólo pueda ser ejecutado por una empresa o profesional determinada.

En el presente caso, la empresa Elsevier B.V. con NIF NL005033019B01, es la única que puede ejecutar el objeto de la presente contratación.

El órgano de contratación, previamente a la adjudicación, podrá recabar cuantos dictámenes e informes estime pertinentes.

6. DOCUMENTACIÓN PREVIA A LA FORMALIZACIÓN

El adjudicatario deberá presentar en el plazo de siete días una "Declaración responsable del cumplimiento de las condiciones exigidas para contratar", Anexo I, así como la documentación acreditativa de la capacidad de obrar de la empresa y la documentación acreditativa del representante de la misma que vaya a firmar el contrato indica en el Anexo II.

7. FORMALIZACIÓN DEL CONTRATO

El contrato se formalizará en documento administrativo en el plazo de **15 días naturales** contados desde la terminación del plazo de suspensión de la adjudicación, constituyendo dicho documento título suficiente para acceder a cualquier registro público. No obstante podrá elevarse a escritura pública cuando lo solicite el contratista, siendo a su costa los gastos derivados de su otorgamiento.

8. EJECUCIÓN DEL CONTRATO

El contrato se iniciará el 1 de enero de 2021 y finalizará el 31 de diciembre de 2024.

Los accesos deberán estar funcionando en un plazo de 48 horas a partir de la comunicación de la adjudicación. La desaparición antes de la finalización del periodo de suscripción del acceso a los contenidos contratados o la desaparición de la publicación de esos contenidos obliga al adjudicatario a resarcir económicamente a la Universidad en la parte proporcional.

El reconocimiento de los accesos de los usuarios de la Universidad se hará mediante IP.

Este contrato se ejecutará con estricta sujeción a los compromisos adquiridos por el adjudicatario en su oferta, las cláusulas técnicas y administrativas particulares que rigen el presente contrato y de acuerdo con las instrucciones que para su interpretación diere al contratista la Universidad Pública de Navarra.

9. FORMA DE PAGO

El abono del importe del contrato se realizará a la presentación de la factura correspondiente, previa conformidad de la Directora de la Biblioteca, mediante transferencia bancaria a la cuenta del adjudicatario, en un plazo no superior a treinta días desde la recepción de la factura.

La presentación de la factura electrónica se debe realizar a través del Punto General de Entrada de Facturas Electrónicas (FACe) del MinHAP.

Los códigos asignados a la Universidad Pública de Navarra (Q3150012G) que deberán indicarse en la factura electrónica son los siguientes:

Oficina Contable: GE0001956

Órgano Gestor: U03500056

Unidad Tramitadora: U03500056

Expediente de Contratación: 2021/0000996

10. REQUERIMIENTOS DE CARÁCTER SOCIAL, MEDIOAMBIENTAL Y DE IGUALDAD DE GÉNERO EN LA EJECUCIÓN DE LOS CONTRATOS

El contrato se halla sujeto al cumplimiento de las disposiciones legales, reglamentarias y convencionales vigentes en materia de fiscalidad, Seguridad Social, protección del medio ambiente, protección del empleo, igualdad de género, de acoso por razón de sexo o acoso sexual, condiciones de trabajo, prevención de riesgos laborales y demás disposiciones en materia laboral, inserción sociolaboral de las personas con discapacidad, y a la obligación de contratar a un número o porcentaje específico de personas con discapacidad y, en particular, a las condiciones establecidas por el último convenio colectivo sectorial del ámbito más inferior existente de aplicación en el sector en el que se encuadre la actividad a contratar. La oferta económica deberá ser adecuada para que el adjudicatario haga frente al coste derivado de la aplicación, como mínimo, del convenio sectorial que corresponda, sin que en ningún caso los precios/hora de los salarios contemplados puedan ser inferiores a los precios/hora, más las mejoras precio/hora del convenio más los costes de Seguridad Social.

11. SEGURIDAD DE LA INFORMACIÓN Y PROTECCIÓN DE DATOS

1.-Deber de secreto y confidencialidad

El contratista garantizará el cumplimiento por parte de todo su personal del deber de secreto y confidencialidad respecto a cualquier información, datos, estudios, investigaciones, y similares concernientes a la Universidad Pública de Navarra, de los que dicho personal pueda tener conocimiento con ocasión de la prestación del servicio o actividad contratada.

El contratista queda así obligado por el deber de sigilo y confidencialidad impuesto por el artículo 54.2 de la Ley Foral 2/2018, de 13 de abril, de Contratos Públicos. Respecto a la gestión de la información, el contratista queda sometido igualmente a las medidas del Esquema Nacional de Seguridad, regulado por el Real Decreto 3/2010 o norma que en el futuro se aprobare. Asimismo, el contratista debe cumplir la Política y Normativa de Seguridad de la Información de la UPNA, aprobadas por su Consejo de Gobierno en sesiones de 31 de enero y 7 de mayo de 2019.

2.- Protección de datos de carácter personal

Los datos recabados por la UPNA en relación con personas físicas vinculadas con la entidad o sujeto contratista serán objeto de tratamiento conforme a las actividades de “Gestión de Contratación Pública” y, en su caso, de “Gestión Económica”, así clasificadas en el Registro de Actividades de Tratamiento de Datos de la UPNA. Este registro es objeto de aprobación por Resolución 599/2019, de 5 de abril, del Gerente de la Universidad Pública de Navarra y de publicación en Boletín Oficial de Navarra nº 94, de 16 de mayo de 2019.

Asimismo el contratista y sus empleados quedan sometidos al Reglamento General de Protección de Datos (UE), a la Ley Orgánica 3/2018 de Protección de Datos así como a la política y normativa propias de la UPNA en la materia.

3- Información sobre confidencialidad y privacidad

El acceso completo a la información mencionada en los puntos 1 y 2 podrá efectuarse a través de la página web de la Universidad Pública de Navarra https://www.unavarra.es/

Esta información resulta accesible en su apartado web sobre Información y datos seguros

Concretamente la política de privacidad en materia de contratación pública estará disponible, dentro de dicho apartado, según la referencia Protección de datos en la contratación pública

12. RÉGIMEN DE IMPUGNACIÓN DE ACTOS

Las reclamaciones en materia de contratación pública se interpondrán y resolverán según lo establecido en los artículos 122 y siguientes de la Ley Foral 2/2018, de 13 de abril, de Contratos Públicos.

Los licitadores deberán identificar una dirección electrónica para la realización de notificaciones a través de medios telemáticos, en el caso de reclamación en materia de contratación pública.

II. PRESCRIPCIONES TÉCNICAS

1. CARACTERÍSTICAS TÉCNICAS

Science Direct es una plataforma de contenidos científicos multidisciplinares que proporciona artículos de más de 4.000 revistas científicas de calidad, (https://www.sciencedirect.com/browse/journals-and-books), herramienta imprescindible y un valioso recurso para los miembros de la comunidad universitaria en general y los investigadores en particular. Da acceso a contenidos relativos a las áreas de conocimiento que incluye y que entroncan con las áreas de especialización de la Universidad como son: Ciencias Puras e Ingeniería, Ciencias de la Vida, Ciencias de la salud, y Ciencias Humanas y Sociales.

Las colecciones se agrupan de la siguiente manera:

a) Títulos que componen las colecciones de suscripción más acceso sin archivo, freedom collection de 2.000 títulos.

b) Los títulos que contiene las suscripciones de la Universidad Pública de Navarra, y a las que se accede en modo de archivo perpetuo son los siguientes:

- Acta Materialia
- Agricultural Water Management
- Applied Acoustics
- Applied Catalysis. B, Environmental. An International Journal Devoted to Catalytic Science and Its Applications

El importe de la suscripción anual de los 144 títulos de acceso perpetuo reseñados más arriba es condición para el acceso de los investigadores de la UPNA a las colecciones del grupo a) debido a que el modelo de negocio sostenido por la empresa Elsevier, B.V. (*big deal model)* se sustenta en la suscripción anual de acceso perpetuo con un volumen de inversión que, en el caso de la Universidad Pública de Navarra ascenderá a las cantidades señaladas en la cláusula *3"Importe del contrato"* de este pliego regulador, que incluye un 5,48% en concepto de canon por acceso a los títulos de la Freedom collection del grupo a) y por el acceso a la plataforma electrónica de SDOL, de Elsevier, B.V.

La suscripción a la plataforma de Science Direct incluye la publicación de artículos científicos originales de investigación y revisiones en acceso abierto de los autores firmantes como

Corresponding author pertenecientes a la Universidad Pública de Navarra en las revistas elegibles al efecto, a saber:

- 4 títulos suscritos por la UPNA que no se encuentran en la Freedom Collection:
    - Endocrinología, Diabetes y Nutrición
    - Enfermera Clínica
    - Medicina Clínica
    - Revista Clínica Española

El importe por la publicación de 69 artículos en acceso abierto cada año se incluye en el epígrafe 3 “Importe del contrato”, de este pliego regulador.

Garantías y servicios

La Biblioteca tendrá acceso, una vez adquirido el suministro, a acceder en cualquier momento a los precios individuales de cada título para llevar a cabo, en su caso, los cambios o inclusiones que se requiriesen, por otros de características económicas similares y de interés para los investigadores de la Universidad.

El proveedor se compromete a abonar a la universidad el importe de las suscripciones que no funcionen en el plazo de dos meses a partir de la comunicación de la incidencia.

La Biblioteca, previa conformidad con el proveedor, o a iniciativa de éste, podrá incluir nuevos títulos o productos de características similares a los del objeto del contrato por la aparición de innovaciones tecnológicas, o de configuración, siempre que su comercialización se haya iniciado con posterioridad a la fecha de firma del contrato, y siempre que su precio no supere en un 50% el del bien o producto de referencia. Una vez aprobada dicha mejora, será obligatoria para el proveedor.

El proveedor podrá proponer a la Biblioteca la sustitución de los títulos o productos objeto del contrato, por aquellos otros que como consecuencia del desarrollo tecnológico u otro tipo de innovaciones, mejoren las prestaciones y características de los ofertados, siempre que su precio no exceda en un 50% del precio ofertado en su día.

Para la publicación de artículos científicos de los investigadores de la Universidad Pública de Navarra, el proveedor garantizará el acceso a la plataforma de gestión de publicaciones para identificar y aprobar aquellos artículos que cumplan las condiciones del contrato.

Anexo II – Documentación a presentar por el adjudicatario

1.- Si la empresa fuese una persona individual deberá presentar el Documento Nacional de Identidad, o fotocopia autenticada notarial o administrativamente del mismo, o documento que reglamentariamente le sustituya.

Si la empresa fuese una persona jurídica deberá presentar la escritura de constitución o, en su caso, de modificación, debidamente inscrita en el Registro Mercantil.

Las empresas no españolas de Estados miembros de la Comunidad Europea deberán acreditar su inscripción en un registro profesional o comercial, cuando este requisito sea exigido por la legislación del Estado respectivo.

Las demás empresas extranjeras deberán acreditar su capacidad de obrar mediante certificación expedida por la respectiva representación diplomática española en el Estado correspondiente.

2.- Poder notarial bastante al efecto, a favor de la persona que hubiera firmado la proposición en nombre de la empresa y Documento Nacional de Identidad de la persona apoderada. Si la empresa fuese persona jurídica este poder deberá figurar en el Registro Mercantil.

La aportación de la copia del certificado de inscripción en el Registro Voluntario de Licitadores de la Comunidad Foral de Navarra, regulado por D.F. 174/2004, de 19 de abril, junto con una declaración responsable de su vigencia, eximirá al licitador de aportar la documentación relacionada en los puntos 1 y 2, respecto a su personalidad y representación.

3.- Acreditación de que el adjudicatario se halla al corriente de las obligaciones tributarias y de Seguridad Social y declaración de hallarse al corriente en el cumplimiento de las obligaciones de seguridad y salud en el trabajo y prevención de riesgos laborales impuestas por las disposiciones vigentes.

4.- Acreditación de su solvencia económica y financiera, técnica y profesional.

Acreditación de la solvencia técnica mediante la presentación de una relación de los principales contratos de la misma naturaleza ejecutados por el licitador que se refieran a los últimos tres años, en la que se indique el importe, la fecha y el destinatario, público o privado, avalada por cualquier prueba admisible en Derecho.

Acreditación de la solvencia económica y financiera mediante la declaración formulada por entidades financieras.
