TUBERIA ABASTECIMIENTO

ACOMETIDA ABASTECIMIENTO

BOCA DE RIEGO

ARQUETA ABASTECIMIENTO

The drawing illustrates a proposed water supply network renovation project in Tudela, Navarre. The main line is a 200 FD (Feet Diameter) pipe, shown in red, running diagonally across the map. It branches into several smaller pipes: a 150 FD pipe to the right, a 300 FD pipe to the left, and a 250 FD pipe to the right. The network is shown in red, while existing infrastructure is in blue. The drawing includes a legend, a title block, and a scale bar.
